

® **WEDWINGS**

By RITA SOARES-ALVES

Your wedding planner.

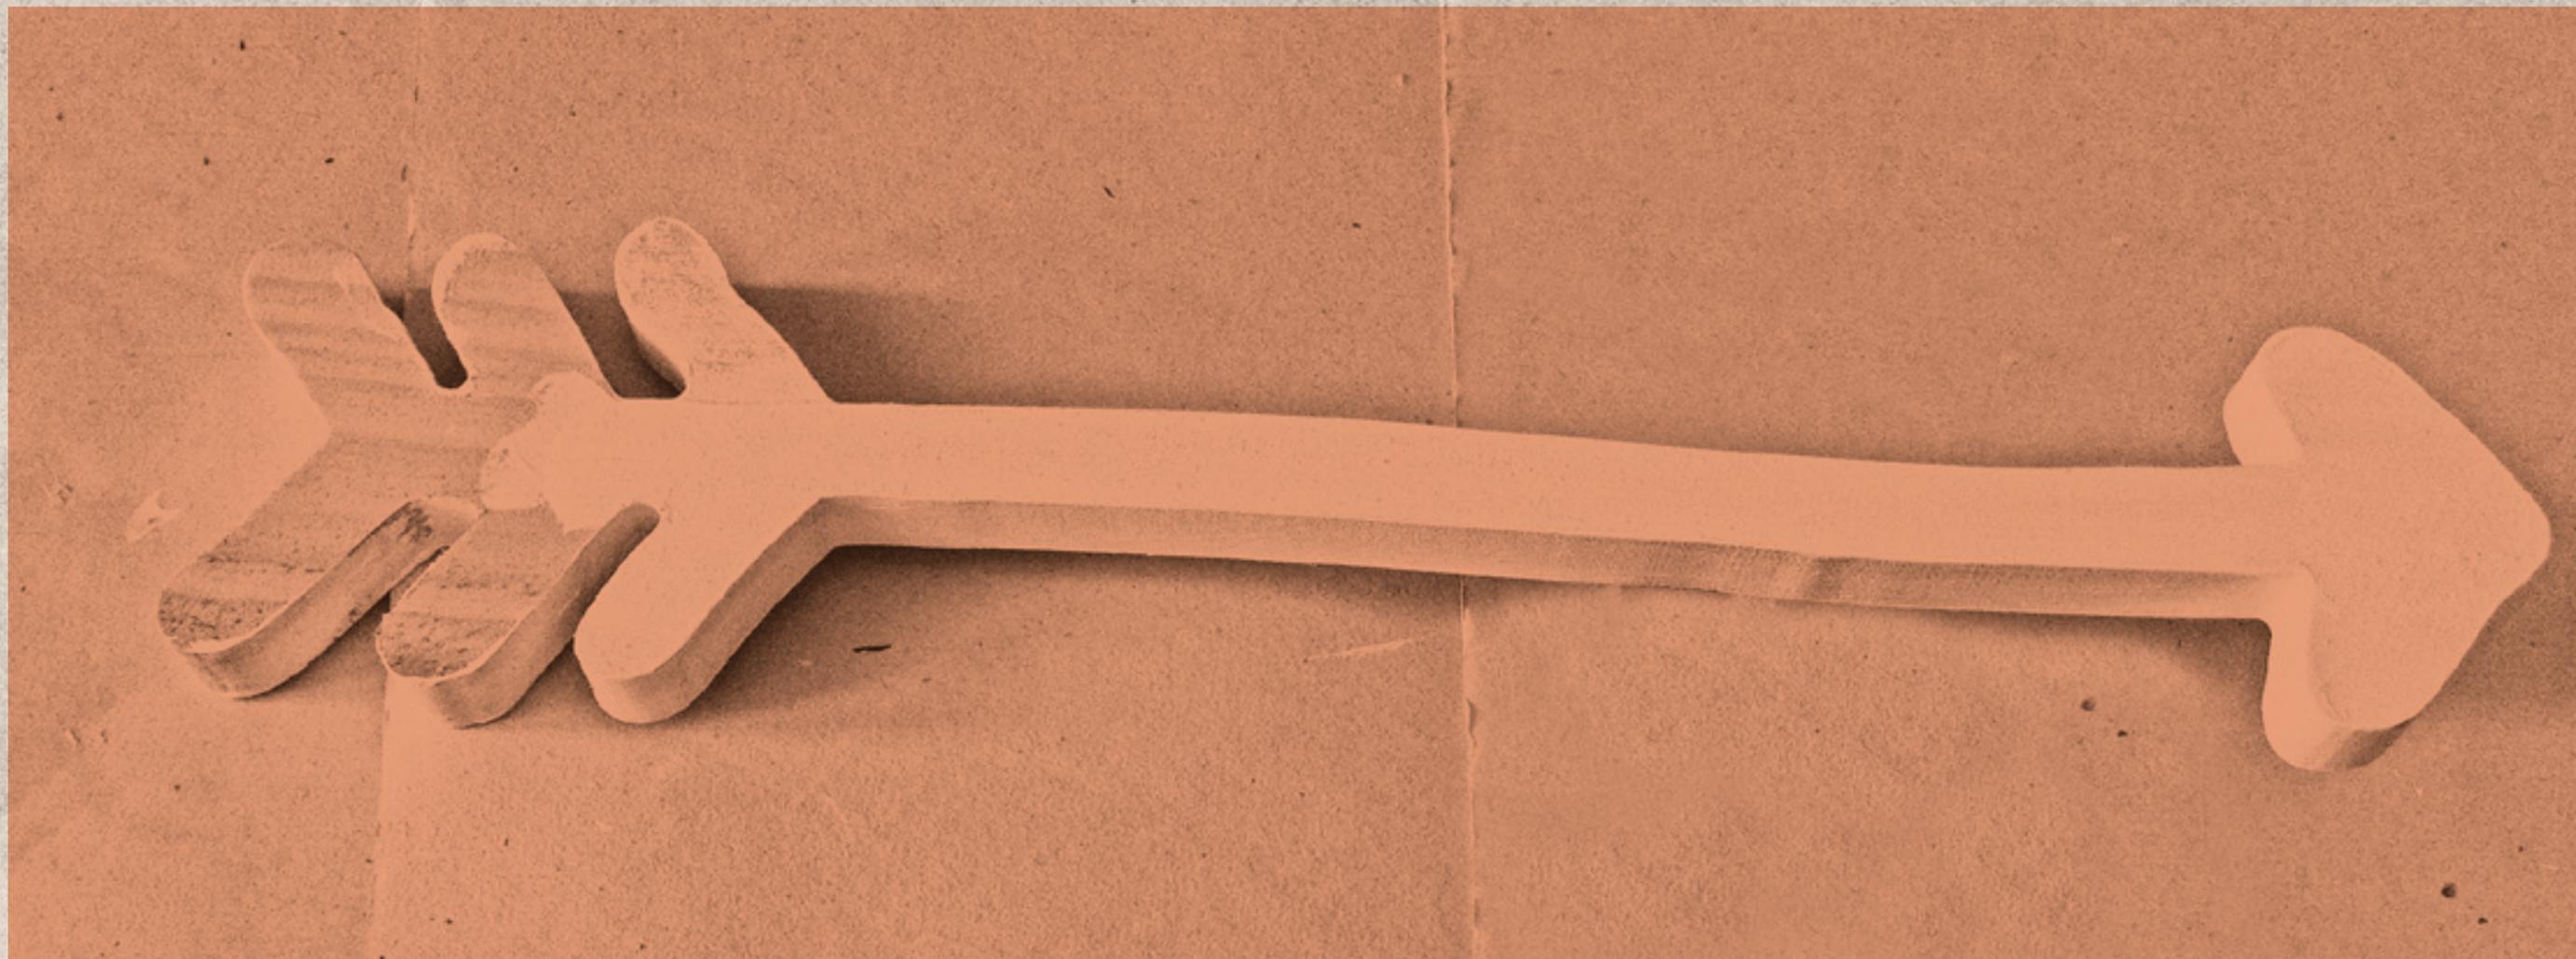

*Weddings: you will never
find two alike.*

*Why? Because every
couple and family has its
own unique and personal
stories and traditions.*

*Planning a wedding
reflects that uniqueness.*

**Getting to know your family:
that's where I want to start from.**

Help me discover the true story behind each event by talking with your families, letting me in on the small details which will inspire me and, ultimately, allow us to plan and create the unique and perfect day you've always dreamed of.

1 *Let's work together
to create...*

... an unforgettable day. Tell me about your expectations, likes and styles. I'll include them in the planning process to create your dream wedding.

2

The wedding concept, budget and the couple's expectations all influence the choice in selecting the service providers I work with.

3

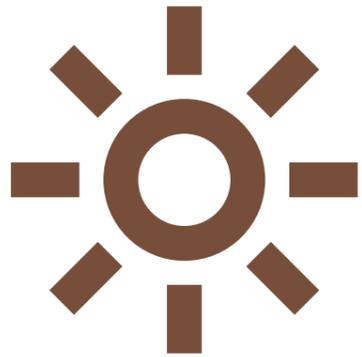

Wedwings does not receive any commissions from the service providers. All discounts negotiated benefit the clients alone.

5

REASONS

To choose
PORTUGAL

Why Portugal, of all places, to get married? I could give you countless reasons... I could. But I'll give you only 5. The ones I truly cherish. Hopefully, after getting married here, you will too.

1

250 DAYS OF SUNSHINE A YEAR

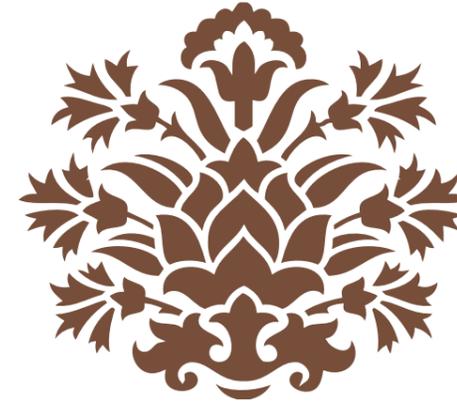

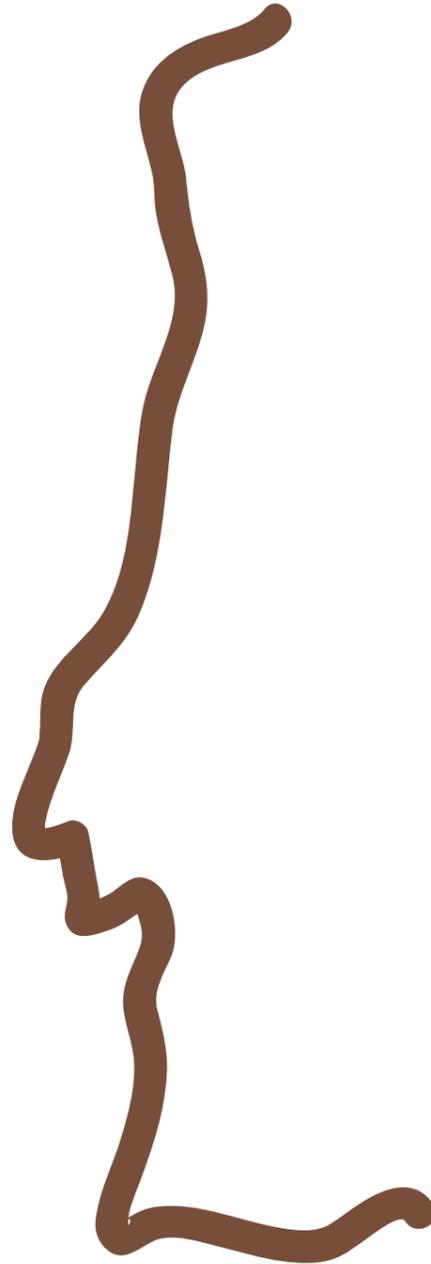

Portugal is not only one of the most peaceful places in Europe, it's also one of the sunniest.* Getting married during winter means putting up with rain, cold or snow. Not in Portugal, where it's likely to be sunny, making your big day that tiny bit more special.

*Don't worry: we complain about the weather too. Just not as much.

2

2,000 KM OF COASTLINE

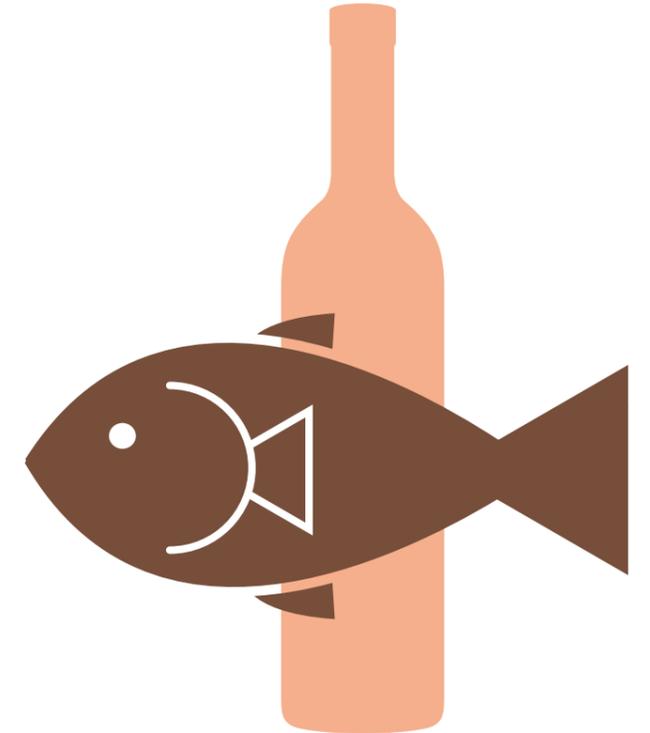

Make yours an unforgettable wedding by finding the perfect venue on over 2,000 km of coastline. Wriggle your toes on white sandy beaches or tie the knot in a chapel overlooking the Atlantic ocean.

3

TRADITION AND HISTORY

Who wouldn't want to be married in a palace? Or in centuries-old buildings steeped in history and long-lost memories? Portugal's splendid venues and locations are waiting just for you, the perfect witness to your union.

4

FOOD: SPOILT FOR CHOICE

Where to start? Incredible seafood and meat dishes, Douro and Alentejo wines (Portugal's best kept secret!). Let's not forget about the famous *Pastel de nata*, washed down with a cheeky glass of *Ginginha*. And it doesn't stop here: Portugal has a varied cuisine that satisfies even the most demanding of palates. So sit down and tuck in: you'll never want to leave the table again.

5

SIMPLY PUT, WE'RE REALLY NICE PEOPLE.

We're happy people, really. And we want to show you how easy it is to fall in love with our country and some of its hidden pearls. Let us be your proud hosts on such a special day.

Welcome to Portugal, where we're all smiles and hugs.
